

Australian Employment Services

A.E.S has been successfully training Tasmanian's since 1987. Our aim is to be the provider of choice for quality training services in Tasmania.

Training is crucial for organisational development and success. It is rewarding for both employers, employees and for those seeking employment.

At A.E.S. we pride ourselves in delivering courses that are meaningful and effective with a training and assessment team that are renowned throughout the industry as leaders in their areas of expertise.

- Customised training delivered to groups and individuals.
- Training is delivered in a safe, realistic environment
- Training can be delivered both in-house and as part of a public program
